CAFÉ MENU

WELCOME!!! We know it's all a bit overwhelming to be faced with hundreds of beers and dozens of food options, but keep coming back and you'll get the hang of it. Ask an employee or a Hamilton's regular, they're always glad to guide you through the food and beer list, point your taste buds in the right direction and tell you their favorites. We are a **SMALL** cafe with a **BIG** heart so be sure to enjoy a couple beers until your crazy buzzer thing starts carrying on.

OH YEAH ONE MORE THING... Pretty much everything we make here has beer in the recipe. Even the paint on the walls has beer in it. It's perfectly acceptable to cheers with food. *Enjoy!*
